It prevents from the harmful influence of the sunbeam ; it has a nourishing and moisturizing effect. The ingredients of the cream contain :</p> <ul style="list-style-type: none"> <li>- Rose water, included in the ingredients, which stimulate the regeneration and strengthen the preventive functions of the skin.</li> <li>- Mulberry extract, which is one of the safest vegetable extracts with whitening effect.</li> <li>- UV-filter, It has preventive function, limits the establishment of free radicals, actively presenting in the mechanisms, responsible for the hyper-pigmentation.</li> </ul> <p><b><u>Protocol – How to use it :</u></b></p> <p>Take small nuts of cream in hands and apply with circular movements on face/neck or hands/arms.</p>
	<p><b>Rob002</b>  <b>Eye cream</b>  <b>(25 ml)</b></p> <p><b>Color : Soft white</b>  <b>Plastic Jar</b></p>	<p><b><u>Clinic description :</u></b></p> <p>The eye cream from our rose collection is based on damask rose water and has anti aging and anti-wrinkle effects. The delicate zone around the eyes needs special cares, as the skin there is very soft, it does not contain greasy cells the wrinkles appears there first.</p> <p>The cream is easily absorbed, it hydrates in depth and makes the thin lines smooth in the delicate zone around the eyes. The ingredients of the cream contain :</p> <ul style="list-style-type: none"> <li>- A biologically active complex, which actively soften and moisturize the skin, leaving a feeling for comfort and mildness.</li> <li>- Rose water, included in the ingredients, is incredibly rich in active substances, which stimulate the regeneration and strengthen the preventive functions of the skin.</li> <li>- Green tea extract, with anti inflammatory and strengthening effect, acting as an antioxidant and a photo prevention.</li> <li>- Macadamia oil, owning a strong hydrating and restructuring action with high permeability.</li> <li>- Vitamin E as a strong anti-oxidant, slows down the oxidizing processes in the cells, eliminates the dryness and the peeling of the skin.</li> </ul>

		<p>- Jojoba oil – creates a sustainable and elastic layer over the skin, which it nourishes and prevents from unfavorable influence.</p> <p><b><u>Protocol – How to use it :</u></b></p> <p>Take small nuts of cream in hands apply in 8 circular movements around eyes.</p>
	<p><b>Rob003 Anti age cream Q10 (50 ml)</b></p> <p><b>Color : Soft white Plastic Jar</b></p>	<p><b><u>Clinic description :</u></b></p> <p>This product will enrich your anti aging cosmetic collection. Every skin needs special cares for keeping its elasticity, fresh complexion and it prevents the prematurely appearance of wrinkles.</p> <p>The ingredients of the cream contain :</p> <ul style="list-style-type: none"> <li>- A dominant accent in the active ingredients of this cream Co-enzyme Q10 has which improves the elasticity of the skin and visibly decreases the depth of the wrinkles, prevents it from the harmful influences of the environment, causing the premature aging.</li> <li>- Biologically active complex, which actively soften and moisturizes the skin, leaving a feeling of comfort and mildness.</li> <li>- Rose water, included in the ingredients, which stimulate the regeneration and strengthen the preventive functions of the skin.</li> <li>- Shea tree oil – keeps the balance of the contents of greases and moisture in the skin, makes it visibly younger, strengthens the tissue and makes it tighter.</li> <li>- Vitamin E as a strong anti-oxidant, blocks the activity of the free radical, slows down the oxidizing processes in the cells, and eliminates the dryness and the peeling of the skin.</li> <li>- Jojoba oil – it is unique in the whole flora. It creates a sustainable and elastic layer over the skin, which it nourishes and prevents from unfavorable influence, without hampering of its normal and vital activity.</li> </ul> <p><b><u>Protocol – How to use it :</u></b></p> <p>Take small nuts of cream in hands and apply with circular movements on face or neck.</p>

	<p><b>Rob003 Anti age ULTRA with rose oil (50 ml)</b></p> <p><b>Color : Soft white Plastic Jar</b></p>	<p><b><u>Clinic description :</u></b></p> <p>WARNING : This cream is identical in wording to the classic anti-aging cream No. 3 "rose-of-bulgaria" but we have replaced the rose water by pure rose oil. This cream is organic; it contains no artificial fragrances, colors or other conventional preservatives. Bulgarian rose oil is the most precious, expensive and difficultly derived essential oil in nature. Because of its property to stabilize cell walls, it is among the major means to affect stressed, irritated and aging skin. The special cream formula, containing pure bioactive essential rose oil, revitalizes and replenishes skin with vital energy. Combined with Q10, Vitamin and natural plant extras, it slows down the process of skin aging, regenerates and moisturizes, leaving skin radiant and refreshed.</p> <p><b><u>Protocol – How to use it :</u></b></p> <p>Take small nuts of cream in hands and apply with circular movements on face or neck.</p>
 	<p><b>Rob006 and 6b Lip balm (5 ml)</b></p> <p><b>Color : hard pink Plastic Jar</b></p> <p><b>Exist also in stick</b></p>	<p><b><u>Clinic description :</u></b></p> <p>This lip balm with natural rose water prevents your lips during all the seasons from bursting and injuries. It hydrates and provides them with a shine and gentle and mild aroma. Its ingredients contain :</p> <ul style="list-style-type: none"> <li>- UV - filter, for protection from the harmful sunbeams</li> <li>- Vitamin E, blocks the activity of the free radical</li> <li>- beeswax – it has a regenerative action and softens the mild skin of the lips</li> <li>- Shea tree oil - it makes a balance of the contains of greases and moisture in the skin</li> </ul> <p><b><u>Protocol – How to use it :</u></b></p> <p>In jar, apply with finger on lips several times a day. In stick, turn the pink screw at the bottom of the stick and apply on lips several times a day.</p>
